

## QUALITY POLICY

Haemologic Biotech Pty. Ltd. is committed to designing, manufacturing, and distributing sterile and non-sterile life sciences products that meet customer expectations and comply with all applicable regulatory and legal requirements.

Our Quality Management System (QMS), certified to ISO 9001:2015, is regularly reviewed and improved to ensure it remains effective and aligned with our business needs. We integrate quality control throughout our manufacturing processes to maintain consistent product quality and support customer satisfaction.

Continuous improvement is central to our approach. We actively monitor system performance, address nonconformities, and implement enhancements to drive efficiency and maintain compliance.

We foster a culture of collaboration, clear communication, and shared responsibility, encouraging all staff to contribute to quality outcomes and business improvement.
